"A Sheriff for the people"

After filing his intent to run in the 2024 election for Sheriff as a Republican, Jon Wright launches a new campaign on Integrity and Accountability where others have failed.

Yavapai County, Arizona - Jon Wright a former Yavapai County Deputy and current Law Enforcement Officer announced today the launch of his Republican campaign for Sheriff, focusing on integrity and accountability in Yavapai County. "With our current Sheriff's patterns and infractions, I believe the county can do better when it comes to integrity," said Wright. Later adding "The position of Sheriff is a trusted position, to enforce the law and stand for the people, but as Sheriff he must also abide by the laws he enforces. Our current culture is filled with, do as I say not as I do, especially on the side of the liberals, but it's time to practice what we preach."

Wright's campaign will focus on several key areas, including building trust and transparency between law enforcement and the community, strengthening partnerships with community organizations and local businesses, enhancing accountability measures to ensure that all individuals in positions of power, including politicians, judges, and community stakeholders, are held to the highest standards of conduct. Using over a decade of combined experience as a M.P. in the U.S. Army and local Law enforcement this goal is right in his wheelhouse.

"Integrity and accountability are the cornerstones of effective law enforcement," said Wright. "I have always been committed to upholding these values along with many other Deputies and Officers that currently serve their communities. I believe that the people of Yavapai County deserve nothing less. We together will focus on unity, and solidifying our community."

Wright will focus on several key areas, including:

- Build trust and promote transparency between law enforcement and the community, through open communication and mutual respect
- Forge stronger partnerships with community organizations and local businesses, to better understand and address the needs of our community
- Improve training and resources for law enforcement officers
- Enhance accountability measures to ensure that Deputies are held to the highest standards of conduct and reward them for their daily heroic actions
- Have mid level management engage in numerous community events
- Focusing on retention we will develop a new recruitment strategy, aimed at attracting and retaining high-quality law enforcement officers
- Improve active shooter response for law enforcement, ensuring the safety of our schools and community

"Over the past several years, we have seen too many instances of law enforcement officials failing to live up to their responsibilities," said Wright. "As your Sheriff, I will work tirelessly to ensure that our agency is held to the highest standards of professionalism and accountability. Together, we can build a safer and more just community."

Wright's new campaign has already received widespread support from community leaders, law enforcement officers, Deputies and residents across the Quad Cities. With a proven track record of success and deep roots in Yavapai County, Wright is the clear choice for Sheriff in 2024. Join him in his mission to improve Yavapai County and uphold the values of integrity and accountability - the cornerstones of effective law enforcement. "I started my quest for signatures today, it's going to be great, looking forward to partnering with the community to improve the County," said Wright.
